WITH PRIDE AND RESPECT

The Holden Senior Center and Town of Holden is pleased to offer "Combat Parking" for some of our veterans. There are an estimated 1.8 million Purple Heart recipients, combat wounded service members who have transitioned back into civilian life. They have made great sacrifices to ensure our freedoms but often go unrecognized. Wounded Warriors Family Support's founder, Colonel John Folsom, decided to change that. Wounded Warriors Family Support offers combat Wounded Parking Signs to establishments as a way of honoring and recognizing these veterans. There are two parking spaces at town buildings. Obviously, one here, the other is at the Town Hall/Starbard Building.

OLD BUSINESS

Discussion on the survey will resume. Wayne pointed out that the overwhelming response was positive, and the discussion should start from the position of the strengths instead of weakness. The senior center is doing so many great things. The board should bring their copies of the report to the next meeting and plan on an extended period of discussion.

NEW BUSINESS

There was an issue over the summer with the piano teacher objecting to the senior center's request to charge the piano teacher a nominal fee for use of the building. He, along with his students, contacted a member of the HCOA board to voice their displeasure. There is a nominal fee charged to independent contractors who come to us and charge their students for classes. The board voted to support the building use policy as written with the addition of day time class fees.

A quote was received from National Van Builders in Attleboro for a replacement van comparable to the one we have for \$49,790.00. A van similar to the blue WRTA van would cost approximately \$56,000.00, and a quote of \$75,000.00 was received from a dealer in Haverhill for the same. Rick will speak with one of the Oriol brothers to see if they would be willing to once again contribute \$20,000.00 to the cost of the van. If Oriol signs on, then Wayne will ask Cindy Stark to put it on the agenda for the Friend's meeting to match the \$20,000.00 contribution.

CITIZENS ADDRESS

Cindy Mason attended the meeting to inform the board that the Grange experienced some of the parking lot lights out at night. Louise will call the light department. It was unclear as to what particular lights were out.

ADJOURNMENT

It was unanimously voted to adjourn the meeting at 9:15 a.m.

Our next meeting will be held on Thursday, October 10, 2019 at 8:00 a.m.

Respectfully submitted,

Maureen Buffone
